

About the Energy Check

The [ANYTOWN Energy Check](#) is a peer-to-peer fundraiser that supports the transformative program we all love and keeps the ANYTOWN magic alive for a new generation. We aim to raise \$10,000 to support ANYTOWN so that students of all backgrounds can participate in this life-changing experience. This year's campaign **kicks off on Monday, June 12th** – so let's get going!

How you can help:

- **Make a gift!** Consider making a one-time gift of \$25 or a monthly gift of \$10. Give at the level that's right for you – ANY amount helps ANYTOWN!
- **Participate** by [becoming a Fundraiser](#) and asking your ANYTOWN Family to support the ANYTOWN Energy Check!
- **Find** us on [Facebook](#), [Instagram](#) and [Twitter](#) (@NCCJTriad) and **share** our ANYTOWN Energy Check posts with your friends and family!

Energy Check Toolkit

For some great resources to help you get started, check out these links:

- Instructions to [become an Energy Check Fundraiser](#) (it's easy!)

You'll find all of that and more in our full [Energy Check Toolkit](#) on Dropbox. It includes:

- Sample emails to help you spread the word
- Lists of ANYTOWNers by year – find your ANYTOWN friends & reconnect!
- Energy Check profile and cover photos for Facebook & Twitter
- ANYTOWN infographics to share with friends & family on social media

If you have trouble accessing Dropbox (some workplace firewalls will block it), try accessing it from home or just [email us](#) - we're happy to send you the resources you need!
